

## 2018 November LC Newsletter

Hi Everyone,

We hope this holiday season finds you all well. The following is some information we thought you'd like to know.

### Christmas Party:

- The Christmas Dinner **sign up is in the clubroom**; it will be a nice meal catered by Dillon's. Also, there will **NOT** be a white elephant exchange. Some other form of entertainment will be provided, but at this time we're not exactly sure what it will be. If you have any ideas, please let a Board member know.

### Christmas Toys for Kids:

- The **Toys for Kids campaign** has begun. The Women's Social and Boomers Club sponsor this activity every year and the Rec Center supports it. Our club participates by placing a collection box in the clubroom. It is located near the leather cabinet. Please think about making a donation to help create a truly happy holiday for a child in need. Unwrapped gifts may be placed in the box to be delivered sometime **before December 7th**. Please see the attached flyer, which has far more details.

### New Member Class:

- The class scheduled for November 17th, this Saturday has been cancelled due to a lack of participants. We understand that this is a busy time of year, so we will reschedule the class for sometime in January. New members will be contacted by email when we have selected a Saturday date.

- **One does not have to wait for a class to join** the club and begin learning the art of leather crafting. Many members are

available to answer questions and assist you. So please feel free to participate or contact us if you have any questions.

### **Tandy Kits:**

- There are many new Tandy kits available for sale in the clubroom. Since the renovation, these items have been moved. If you look for the two glass display cases along with the cabinet marked “Items for Sale” you will find the kits. These make nice gifts. Many of them are small, easy projects and could readily be completed in time for Christmas, so check them out!

### **Upcoming General Meeting:**

- The next General Membership meeting will be **Friday, December 14th**, when we will vote for our 2019 club Board Members. It's very important that everyone tries to attend.
- There is a **sign up sheet in the clubroom** if you wish to run for an office.
- The meeting begins at 9:00 am, but coffee and donuts start at 8:30 am, so be early!

### **Monitoring:**

- As you all know, monitoring is a requirement in every club.

During the summer months it is particularly difficult to obtain monitors as there are fewer members present. However, now, with so many members returning, we should have plenty of monitors and not as many slots to fill. Please do your duty and sign up to monitor.

### **General Mtg. Minutes:**

- The minutes from the **November 2nd** have been posted on the website as well as being attached to this email.

We look forward to everyone's' return and wish you safe travels and a very

**Happy Thanksgiving!**

The Leather Board
