

## 2018 LC October Newsletter

Hi Everyone,

We hope this newsletter finds you all well and ready to continue with your leather journey.

### Open House:

As you know, the Open House was last week and we wish to **thank EVERYONE** for their efforts making this Open House such a huge success! A record of 60 or more people came through the club. Even more important was the community exposure we received.

We have such a generous group of members. Twelve leather items were donated by members as door prizes.

### Kudos:

- The **Sun City West Tennis Club** would also like to thank the club for donated leather items supplied for their recent fundraiser. They were very much appreciated. The money raised was designated for the **Community Fund of SCW** that aids SCW residents who are having financial difficulties. So thank you to all our members who helped out.

- A huge thank you to our local radio station, **KSCW 103.1 FM**. They regularly advertise the club at no cost. Their only request is for support through sharing information about their station with others.
- **SCW Broadcast Club info:**  
**KSCW 103.1 FM** Their web site is [broadcast.scwclubs.com](http://broadcast.scwclubs.com) or/ [suncitywestradio.com](http://suncitywestradio.com) Music, depending on the day and time tends to be more 60's and 70's. We listen to this almost exclusively in the club. They interview locals, give public service announcements, and

offer some Gospel music on Sundays. They can be reached at 602-538-1031.

- We would like to not only acknowledge, but also thank [Julee and Kyle Betz](#) for their continued contributions and dedication to our club. Recently they provided a presentation to [Brookdale](#), a senior living facility in SCW.

The following is a note from [Penelope Weber](#), the program manager at the facility.

“Today Julie and Kyle Betz presented the Sun City West Leather Carvers to our residents. They shared information, and brought beautiful hand crafted items. We are so grateful that our residents can benefit from such kind and talented people. I will bring them on a shopping trip closer to the holidays. Thank you for partnering with us, the presentation made our day!”

### **New Member Class:**

Class will be held **Saturday, October 6th and 13th from 9 - 3 pm.** We changed these classes to a full day in order to alleviate as many scheduling conflicts as possible for both instructors and attendees. Also, Saturdays provide fewer disruptions for members.

We added a second Saturday as so many have recently joined the club. We like to keep the groups relatively small so each participant can receive some individual instruction.

### **Monitoring:**

As you all know, monitoring is a requirement in every club. During the summer months it is particularly difficult to obtain monitors as there are fewer members present. However, now, with so many members returning, we should have plenty of monitors and not as many slots to fill. [Please do your duty and sign up to monitor.](#)

If you have never monitored before, one of the members will be happy to help you out. It's really a pretty easy job in leather club.

### Fall Craft Fair:

Now is a good time to prepare for the upcoming **November Craft Fair, the first Saturday in November**. Please plan now to have your items ready. Presently there's plenty of elbow room in the club, so you can spread out. Now is a very good time to take advantage of this, because the club will be filling up quickly.

- **Sign-up sheets** along with more information will be posted in the clubroom soon. Be on the look out for this. Anyone wishing to sell an item at the fair, must have filled out the appropriate paperwork prior to the fair. If you have any questions about the fair or fair procedures, just ask any of the Board members. There is usually one in the clubroom daily.

### Membership Meeting:

- **Friday, November 2nd, at 9:00 am**
- Please mark your calendar.
- **8:30 - Coffee and doughnuts & lots of camaraderie**

We look forward to everyone's' return and wish you safe travels.

The Leather Board
