

## 2019 October LC Newsletter

### Monitoring:

Roger give an update of the monitor situation for the current year.

- we have 138 members
- 61 have monitored so far this year
- 25 have reached the required 5 times for the entire year
- Some members have exceeded the 5 required times due to the lack of member participation
- Slots are presently open through the end of the year to give members an opportunity to fulfill the club requirements the requirement.

### Afternoon Hours:

Members have indicated they would like to work in the afternoon. As you all know, there must be 1 monitor and another club member in attendance. In order to facilitate this:

- A sheet has been placed at the monitor station
- Members interested can place their names and contact information
- Members can then contact each other to partner up

### Nominating Committee:

- We still need one

### Officers:

If we do not have a slate of officers for the December election, the club will lose its charter. We need the following officers: (all offices can be shared)

- President
- Vice President (a newer member has volunteered to fill this position)
- Secretary

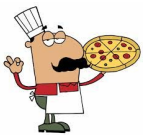

## Fall Craft Fair:

Now is a good time to prepare for the upcoming **Craft Fair, the first Saturday, Nov. 2nd**. Please plan now to have your items ready. Presently there's plenty of elbow room in the club, so you can spread out. Now is a very good time to take advantage of this, because the club will be filling up quickly.

- The fair will be from **8am to 2pm**. [Those selling MUST have signed the Rec Center required 2019 sellers sheet](#). It is posted on the bulletin board in the club. All paperwork as well as information will be in the club the week of **October 7th**.
- Directions for selling club items can also be found on our **website**: [scwleathercarversclub.weebly.com](http://scwleathercarversclub.weebly.com)

## Pizza Party:

- **Thursday, November 21st**: we will hold our **Welcome Back All You Can Eat Pizza Party** at the Kuentz Rec Center. \*Due to remodeling, the event this year may be held inside the clubroom.

There were about 35 members at the meeting, thus we thought it prudent to get this information out to you asap.
