Sign Up Genius:

- FYI, I am meeting with someone far more knowledgeable about SUG on Thursday, January 26th, in the afternoon to determine the many ways this program can benefit the club.
- If you have any questions about the program or its ability to perform other functions, please email me at: Pfischerpc@gmail.com prior to next Thursday, January 26th. (Some members have already asked me questions, which I have saved in order to look into them.)
- In the meantime, If you sign up to monitor, please do it on SUG, otherwise we end up with duplicates. (One on the calendar & one on SUG with the same date & time but different names).
- If you can't do it on SUG and use the calendar, please email me so I can fill your name in on SUG to show the date/time is taken.

BTW, I really appreciate your patience while we figure the ins and outs of this program.

As always, We Hope this email finds you all well & looking forward to some fun.
