

January Newsletter 2018

Hi Everyone and Happy New Year to you all! We hope this new year brings you much joy, peace, and happiness. And just to start your year out well, we have updated information for you, so please read the following. You will also find it on our (most informative) website:

<http://scwleathercarversclub.weebly.com/>

Social Activities:

- On January 8th, the Rec Center will hold a **“Newcomers Coffee”**. We would like to have two people represent the club for approximately 2 hours in the morning. The event is held at the R H Johnson in the Social Hall. Please see Kyle or Julee for details if your interested. It’s a great way to introduce newcomers to our club and it’s a pretty easy volunteer job, that’s actually quite fun.

- **Relay for Life**, a great way to support the fight against Cancer is **Sunday, February 18th, from 2 - 8 pm at Beardsley Park.** We presently have a team of 6 who will be representing the Leather Carvers. It would be great to add to that number, so please contact Julee if you’d like to participate.
- **The 40th Anniversary SCW Parade** will be here next month. Please consider participating. If you have ideas or suggestions, would be available to help or attend, or participate please contact Kim or Kyle. We will help any way we can.
- We need a **Club Social Chairperson(s)**. We have an event planned for the end of February, and we need volunteers as soon as possible. You can share this position with another member. If we don’t have volunteers soon, we may be forced to cancel some upcoming events. Please consider helping the club, we want our members to have some social fun as well as carving fun.

New Member Class:

- A new members class will be held **January 29th - 31st from 1 to 3 PM** in the clubroom. We chose these times to keep the room free during the busy early morning hours. Please take this class time into account so you're not surprised if you plan to carve on those afternoons.

Sewing Machine:

- The club has reached its goal of \$3,000.00 for the new leather sewing machine! We want to share this good news and thank you for all for your support and hard work reaching this goal. We plan to be able to bring a new machine home from the Prescott Trade Show the first weekend in March.

General Meeting:

- The general members meeting will be **Friday, February 2nd at 9:00 AM (coffee & donuts 8:30)**. After the meeting, we will have a **silent auction** which will include the shop vacuum you may have seen in the toolroom these past few months. Our silent auctions have raised some much needed funds for the club and we appreciate everyone who has participated in providing items as well as purchasing them. Thank you!

Wishing you all a **Very Happy New Year!!!**

The Leather Carver's Board
