

Hi Everyone,

We hope this newsletter finds you all well. The following information is to keep you informed of recent changes.

Classes: (all begin at 1:00 pm)

- **Member Classes and Video Sessions:**
 - are on hold over the summer months

Website: <http://scwleathercarversclub.weebly.com/>

- The most recent videos for and from the club classes are now on the website. The headings for these are listed in red.
- There are also numerous videos covering different interests. Just go to the 'Items of interest' tab and click on videos in the drop-down menu.
- If you consider working on leather projects over the summer or refreshing your memory before fall, these videos might be of great interest.

Kudos:

- A huge thank you to **Paul and Cindy Freitag** for taking on the responsibility of the pizza parties. They did a great job and the party was a big success.
- We had about 40 people inside the clubroom.
- **Paul and Cindy** will be facilitating the fall pizza party in November as well. Thank you both so much!

Volunteers:

- **Thank you** to those members who have stepped forward to help in many areas. Our volunteers' willingness to step in where needed has made our club a huge success.
- **If you would like to volunteer**, we could certainly use some help in the following areas:
 - **#1 Chartered Club Committee Meetings**
 - Someone to monitor the monthly Chartered Club Committee Meetings held at the Lecture Hall.
 - They can also be viewed online at: [YouTube.com/suncitywestaz](https://www.youtube.com/suncitywestaz).
 - Approx. 2 hours, they are usually held the **second Tuesday** of each month **at 1:30 pm** (although dates may vary).
 - There are no meetings during the summer months.
 - The volunteer would then report back to the club officers anything of interest.
 - **#2 Creating & Updating Forms**

- This would entail:
 - Monitoring and creating necessary computer generated club forms and documents.
 - Keeping them updated
- **#3 Posting Classes & Events**
- This would entail:
 - Posting classes & events on the white board and club calendar
 - This would include: new member classes, training sessions, social events, meetings, etc.

Clubroom Updates:

- **Air Brush:**
 - An air brush compressor has been mounted on the exhaust hood at the staining station.
 - It is available to all members.
 - Those wishing to use it will need to bring his/her own personal air brush.
- **Room Cleaning:**
 - Usually sometime in July the clubroom is closed for a thorough cleaning. We will let you know the date(s) when we are notified.

Leather Club Demonstration:

- the Rec Center is hosting some club promotional opportunities this summer.
- We have been asked to provide a leatherworking demonstration
 - **Place:** the library
 - **Number of visiting participants:** 6-10 adults
 - **Number of Volunteers needed:** 5
 - **Time:** 10:00 to noon
 - **Dates:** June 17th and July 27th
 - **Purpose:** to expose the community to our club and the craft of leatherworking
- We need volunteers willing to help with the demonstration/projects.
- Projects will be very simple (reminiscent of Happy Camp) such as key fobs, coasters, or something completed in about an hour.
- Contact: Kyle Betz... kyle33@cox.net know if interested in helping with one or both of these demonstrations.
- **We will need granite slabs** for the demonstration so, if you have one to lend please let Kyle know.

Reminders:

- Sunday:
- CLOSED

- **Official Club Hours:**
- Monday - Friday
- 8:00 am to 6:00 pm
- Saturday: 8:00 am to 4:00 pm

July: the club is usually closed a day or 2 in July for deep cleaning. Not sure when that will happen, yet.

Club Sign-In:

- As most of you know, When entering the club, please go to the computer and sign in using your rec card. You scan the card, then your picture should come up on the screen. Click on the yellow tab under your picture.
- If you remain in the club in the afternoon or return to the club in the afternoon, please sign in again. We were told to have everyone re-sign in when the club monitor changes.
- Actually, this is a great way to highlight just how much our clubroom is in use, so thank you for doing this.

MONITORS: (Especially during the summer!)

- **We still need monitors** (as always) Please sign up and do your part. Thank you!
- The **monitor table has become the information center**
 - One can pay for items, sign up to monitor, sign in, and discover all the pertinent information needed at the monitor's station. ○ Hand sanitizer is also located there.
 - The **monitor seat** is located at the same set of tables, but away from those entering and leaving to provide **SD** (social distancing)

- **Members must handle** all their own paperwork, payments, etc.
- Please follow the same protocol as in years past, but do it yourself.

THANK YOU!

(FYI: Acquiring enough monitors in the past has always been a problem, but so far this year, our members have really stepped up to the plate. We would sincerely like to thank each and every one of you who has or plans to fulfill his/her monitor duties this year. When everyone does his/her part it is just so much easier, so thank you so very much.)

Just a Reminder:

- Please follow the protocols in place
 - Attendance is at your own risk!
 - If you are not feeling well, stay home!
 - If you are at the club and start feeling sick, let the Rec Office know and go home. This is so they can have additional cleaning performed.
 - If you are diagnosed with COVID-19 please call the club president. Again, this is just so additional cleaning can be performed. Your name will not be publicized.
 - And please follow the safety guidelines posted in the clubroom

As always, I hope this newsletter/email finds you all well and enjoying the summer weather, when (and if) it finally arrives.

Peg
