The holiday seasons are a good time to find these. They can be plastic, ceramic, or glass.

Volunteers: We still need a member to take this on

- **Chartered Club Committee Meetings**
 - We would like someone to monitor the monthly Chartered Club Committee Meetings held at the Lecture Hall.
 - They can also be viewed online at: [YouTube.com/suncitywestaz](https://www.youtube.com/suncitywestaz).
 - Approx. 2 hours, they are usually held the **second Tuesday** of each month **at 1:30 pm** (although dates may vary).
 - There are no meetings during the summer months.
 - The volunteer would then report back to the club officers anything of interest

- **Members: to host classes on different subjects**

- You don't have to be an expert (I can vouch for that)
- You could enlist another member to help you
- Choose a project that's of moderate difficulty
- One that can take 1 - 3 days to complete
 - One that members new to the club could complete with some guidance
- Examples:
- Braiding, stamping, key chains, wallets, dog collars, cup holders
Luggage tags, name tags, bracelets, coin purses, etc.

Donations:

- **Recent** donations to the club library have supplied us with many new patterns. These are being incorporated into the existing library. The shelves have been reorganized a bit to hopefully make it easier for members to find new and interesting projects.

Monitors/News:

- Each time a member monitors they place their name in the **red bucket** at the monitor station.
- **Every 3 months** a name is drawn from the bucket and that member receives a **\$25 gift certificate** to purchase anything in the club room for their projects.

* **The club requires each member to monitor a minimum of 5 times per calendar year.**

- **We still need monitors** (as always) Please sign up and do your part. Thank you!
 - The **monitor table has become the information center**
 - One can pay for items, sign up to monitor, sign in, and discover all the pertinent information needed at the monitor's station. ○ Hand sanitizer is also located there.
 - The **monitor seat** is located at the same set of tables, but away from those entering and leaving to provide **SD** (social distancing)
 - **Members must handle** all their own paperwork, payments, etc.
 - Please follow the same protocol as in years past, but do it yourself.

THANK YOU!

(FYI: Acquiring enough monitors in the past has always been a problem, but so far this year, our members have really stepped up to the plate. We would sincerely like to thank

each and every one of you who has or plans to fulfill his/her monitor duties this year. When everyone does his/her part it is just so much easier, so thank you so very much.)

- If you remain in the club in the afternoon or return to the club in the afternoon, please **sign in again**. We were told to have everyone re-sign in when the club monitor changes.
- Actually, this is a great way to highlight just how much our clubroom is in use, so thank you for doing this.

Just a Reminder:

- Please follow the protocols in place
 - Attendance is at your own risk!
 - If you are not feeling well, stay home!
 - If you are at the club and start feeling sick, let the Rec Office know and go home. This is so they can have additional cleaning performed.
 - If you are diagnosed with COVID-19 please call the club president. Again, this is just so additional cleaning can be performed. Your name will not be publicized.
 - And please follow the safety guidelines posted in the clubroom

As always, I hope this newsletter/email finds you all well and enjoying fall, and looking forward to another great & fun year in the leather club.
